Dear Archway Veritas Families,

Many students begin the school year on a high note. They are organized, motivated, and ready to tackle any challenge that comes their way. Yet at some point mid-year, that motivation can start to wane. At home you might notice that tasks take longer to complete than they used to or time management in the morning or evening is a little scattered. The mid-year slump can carry over into the classroom as well. Uniforms can be a tad disheveled, grades can dip, and a more laissez-faire attitude can creep in. Please continue to communicate with your child's teacher any concerns about academic progress. Support us with a final uniform check in the morning. Consider setting a goal with your child to turn a down-trodden attitudes towards a more positive one. Our older students tend to become more focused on their peer relationships than their relationships with their teachers at this time of the year and anxious anxiety about "fitting in". Have a conversation with your child. It could be as simple as sharing that there is nothing unusual or different about him or her and we (both you and the teachers) are here to support. As parents, your partnership through the final few months of school is as vital as it was in the early months of the school year. I am grateful for it every day!

In partnership,

Dr. Jeffries

Uniform Check

This time of year is always a great time to check in and perhaps even have a reset of expectations. Uniforms are no different. In the upcoming weeks, your child will do checks on his or her own uniform during school. A slip of paper will come home to inform you about the accuracy of the uniform (based on what your child marks as correct/incorrect) and what is out of compliance. Please sign this and send it back to school the next day and make any corrections to the uniform that was marked as incorrect. If you have any questions about the uniform, please check the Family Handbook.

Every year we ask parents for feedback on Archway Veritas and Great Hearts as a whole. We hope you will take the time to fill out this year's survey. It should only take a few minutes and we very much want to hear your perspective.

You can access the survey by clicking [here](#). The survey will remain open until February 27th.

[Message from the Health Office](#)

As always, students MUST stay home when they are sick.

If your child comes to school sick, *they will be sent home.*

Our aim is to provide a safe campus for everyone.

In accordance with Arizona State Law ([A.R.S 15-872](#)), students must have proof of all required immunizations, or a valid exemption in **order to attend school**.

It is also a requirement for all **students who turn 11 years old** to receive the **Meningococcal and Tdap vaccine** within 4 days of their 11th birthday.

The Meningococcal vaccine provides protection against the meningitis bacteria and the Tdap vaccine provides protection against tetanus, diphtheria and pertussis (whooping cough). *Please provide a copy to the health office when these vaccines are completed.

The health office is in need of healthy, nonperishable snacks. A variety of allergy friendly snacks like Saltine crackers, gluten free and/or dairy free crackers, granola bars or fruit

snacks would be suitable. No peanut products please.

Re-enrollment is Coming!

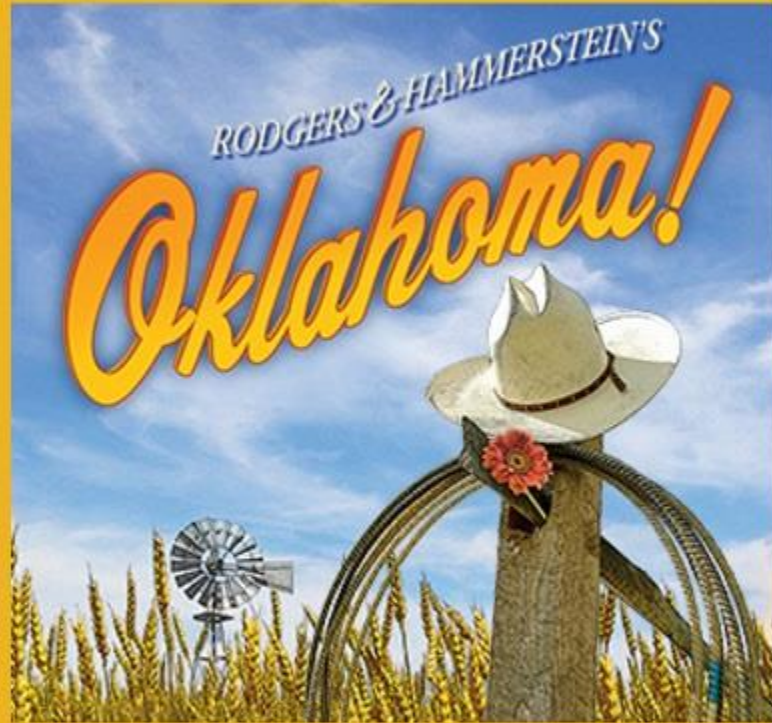

This will be the time to indicate your intent to return to Archway Veritas and secure your child's seat for the 2022-2023 school year. All re-enrollment packets will be accepted **electronically** with a proof of AZ residency document **March 1st – March 10th.**

Re-Enrollment Steps:

1. On Tuesday, March 1st, Great Hearts will send an email with the re-enrollment instructions. It will instruct you to log on to the enrollment portal, fill out the re-enrollment packet for each of your students and an e-sign.
 2. In addition to the packet, you will need to **scan and email** a copy of proof of AZ Residency that matches the home address on the Re-Enrollment form to pdelduca@archwayveritas.org no later than Wednesday, March 10th.
 3. If you will not be returning you will still log in and click the *Re-Enroll Now* button but will then select the not returning option which will prompt you to print, sign, and email a withdrawal form instead of the AZ proof of Residency document.
