ARCHWAY CLASSICAL ACADEMY | VERITAS A Great Hearts Academy

3102 North 56th Street, Suite 200 | Phoenix, AZ 85018 | Office: (602) 489-7341 | Fax: (602) 759-1300 | www.archwayveritas.org

Dear Archway Families,

With the first day of school quickly approaching, I would like to invite you to join us next Tuesday night 8/6, from 4:30-6:30, for Back-to-School Night! This open house style night is a time for you and your family to meet the teachers of ACV. Please note that parking is limited.

“Do unto other as you would have them do unto you.” This is one of the first sayings the kindergarteners at Archway Veritas learn. Treat others how you would like to be treated. As a faculty and staff, we had discussions just this week about human dignity and assuming the best of each other. As we begin the first days of school, let us remember that drop off and pickup do get better! Those first few days can be long and frustrating waiting in your mildly cool car. Be kind and patient with each other and the staff who will most definitely be sweating in the heat.

Need something to listen to while waiting? Listen (not watch, no phones while driving!) to the keynote speaker from this year’s Great Hearts’ Summit, a time for the Great Hearts network to come together.

54th Street

For the safety of our students and out of respect for our campus neighbors, vehicle pick-up on 54th Street is **prohibited**. Exit through the 54th street gate will be limited to **only** those students who walk/bike directly home and not to a parked car on 54th Street.

The safety and security of our community is of the utmost importance, and we appreciate your cooperation and understanding by following this campus-wide policy.

School Messenger Communication

Great Hearts and Archway Veritas continue to utilize the system School Messenger for emails, robo-calls, and text messaging to inform families of campus related emergencies and other communications. School Messenger has a new automatic opt-in for text feature. During the registration/re-enrollment process families confirmed their wish to participate in text communications. Great Hearts will now automatically opt-in contact information given during the registration/re-enrollment process with the options you selected. You will notice at the beginning of July you will be opted in for text messaging. If you would like to opt-out of text messages simply reply STOP to block any text messaging. Please note, if opting-out, you will not receive texts regarding emergencies on campus.

Community Courtesy

When teachers, students, staff and parents follow arrival/dismissal expectations, we all work together to keep everyone safe. School parking lots can be incredibly busy places in the morning when children arrive and in the afternoon during dismissal. Safety is a primary concern of the school staff, but it requires everyone's participation. Please model the virtues of patience and charity when entering and exiting the parking lot. **There is no more immediate way to show we are a true community**, and the stakes are high.

Here are some safety tips for safe arrival and dismissal:

- **Do not arrive before 3:00 pm on regular dismissal days.**
- Yield to pedestrians, crossing guards, and buses, and be aware that children who are walking/riding bikes may not look both ways before venturing in or across a roadway.
- **For those walking or riding** themselves to campus, please remind them to stay on designated pedestrian/bike routes, look both ways, and cross only at designated areas (do not walk/ride in between cars). Wait for crossing guards, and walk bikes, skateboards, etc., across school driveways.

- Speed on school campus is to be kept at or below 10 mph and drivers must operate their vehicles with due care and caution at all times.
- When waiting for students to be released, pull all the way forward on the curb to allow other cars ample room and minimize driving around.
- Make sure your child is fully buckled in before pulling away.
- **Do not arrive before 3pm on regular dismissal days.**

Most important, parents should be patient, respectful, and courteous to other drivers while they pick their students up from school as well as the faculty and staff who are keeping students safe while on duty in the parking lots. Anger and frustration can lead to careless, unsafe behavior, and being a positive role model can help students learn safe procedures.

*There are so many great reasons to ride your bike: It offers fun, freedom and exercise, and it's good for the environment. Please be safe and remember to ensure your child is **wearing their helmet** when riding their bike.

Community Courtesy

Do not block driveways of homes in the neighborhood
Be sure to drive the proper direction through parking lots and nearby streets

Message from the Health Office

Water is essential! In our very hot and dry climate in Arizona, we need to be aware of how easily it is to become dehydrated. Please send your child *daily* with a reusable water bottle. Their water bottle can be refilled at any one of our rehydration stations. Apply sunscreen to any exposed areas before school.

We monitor the Maricopa County heat index very closely. Any time the temperatures exceed 90-105 degrees or above in conjunction with humidity levels, the heat advisory guidelines are put into effect which means limiting or canceling outdoor recess. Your students' safety is our number 1 priority!

Hearing and Vision Screening will be done the week of September 9th, on Kindergarten, First, Third, and Fifth graders. All new students will be tested as well.

Reminder for parents of Fifth Graders who will be turning 11, **Tdap** and **Meningococcal Vaccine** is required when the student turns 11. Please send in the records to the Health Office.

If your child comes to school sick, they will be sent home. Our aim is to provide a safe campus for everyone.

If your child is known to have asthma, severe food allergy, diabetes, seizure disorder, or any other condition that may require further management, please visit our Health page on our website by following the link [HERE](#). Please complete any forms necessary and drop off or send to Nurse Morse.
